

*Empowering children & families  
affected by homelessness*

## Party Host at Family Gateway North

We love throwing parties for our families and kids but we can't do this without the support and help of volunteers. Although we have our BIG events in October & December, we try to do something for other holidays like Valentine's day, Mother's Day, Father's Day, etc. Bring cupcakes, snacks, activities, and host a party in our Afterschool Space or our parking lot (trunk-or-treat style) at Family Gateway North!

### **Responsibilities:**

- Plan and facilitate event
- Provide snacks and activities
- Set up/ clean up

Student volunteers must have at least 1 adult chaperone
