We love throwing parties for our families and kids but we can’t do this without the support and help of volunteers. Although we have our BIG events in October & December, we try to do something for other holidays like Valentine’s day, Mother’s Day, Father’s Day, etc. Bring cupcakes, snacks, activities, and host a party in our Afterschool Space or our parking lot (trunk-or-treat style) at Family Gateway North!

**Responsibilities:**
- Plan and facilitate event
- Provide snacks and activities
- Set up/ clean up

**Student volunteers must have at least 1 adult chaperone**
